proudly presents:

“The Dental Assistant Program”

A fast-track and efficient one-year program that enables candidates to acquire the needed skills to secure a position as a dental assistant in Lebanon and abroad by earning a double certification.

The Dental Assistant program at LGU is devised to equip future assistants of dentists and dental clinics, with the necessary skills to become valuable members of the dental care team and assist dentists in all dental procedures and specialties. Based on theoretical studies and clinical experience, the Dental Assistant program is delivered by renowned doctors, dentists and professors, while promoting an intellectually challenging environment that offers opportunities for both professional and personal development as well as job prospects in both Lebanon and abroad.

Certification and Duration

- ✓ A joint University Diploma (UD) recognized in both Lebanon and the United States
- ✓ One academic year (288 hours theoretical courses and 330 hours of clinical internship)
- ✓ 45 ECTS - European Credits

Content

Using collaborative learning strategies, the Dental Assistant program engages candidates in real-world practices so that they can explore and develop professional knowledge and acquire hands-on expertise and skills in the Dental Assistant practice. The program encompasses the following areas:

- **Fundamentals of general dental procedures**
- **Fundamentals of each dental specialty**
- **Basic functions and role during treatments of a dentist's assistant**
- **Usage of dental instruments**
- **Head, Neck and Dental Anatomy**
- **Infection control**
- **Dental Radiography**
- **Oral and equipment hygiene, and patient care**
- **Secretarial practice in the medical field**

Schedule

Lectures and hands-on classes will be scheduled on two afternoons per week. Classes are delivered at LGU or in one of the affiliated dental clinics. Clinical internship sessions are held in approved dental centers across Lebanon.
